NAD+

THE ULTIMATE BRAIN REBOOT
Duration:
2-4 hours
Price:
$400

NAD+, or nicotinamide adenine dinucleotide, is a critical coenzyme found in every cell in your body, and it's involved in hundreds of metabolic processes. NAD+ can help individuals who are: interested in extending their lifespan, restoring neurological function, seeking to restore muscle strength and function, boost a weight-loss regimen, and to reduce their fatigue and improve overall energy levels. Each NAD+ treatment regimen is individually designed based on the symptoms you are experiencing, or the benefits you are looking to achieve.

Custom bag ask ahead for the price if you don't see a bag or you want to match an infusion bag.

Improving Skin and Anti-Aging

- **GLUTATHIONE**

  $25 Get softer, clearer, brighter looking skin and reduce signs of aging with the help of Glutathione.

- **BIOTIN**

  $25 When you don't get enough Biotin (vitamin B7) it adversely affects how fast your hair and nails grow.

Pain and Inflammation Relief

TORADOL **$25** Toradol prescription medication is a nonsteroidal anti-inflammatory drug (NSAID). It's very effective for treating moderate to severe pain.

DECADRON **$25** Decadron is a prescription corticosteroid, similar to a natural hormone produced by the adrenal glands, used to treat various disorders, severe allergies and asthma.

Other Boosters

PEPCID

$25 Pepcid is a histamine-2 blocker that works by decreasing the amount of acid the stomach produces.

ZOFRAN

$25 This prescription medication is used to treat nausea and vomiting. We use it in our IV vitamin infusions to treat nausea, migraines and hangovers.

BENADRYL

$25 Prescription Benadryl IV is an antihistamine used to relieve symptoms of headaches. Also, used for allergy, hay fever, and the common cold.
